Subject: FW: Planning App Consultation Request Internal F/22/94241

Hi Rebecca

Landscape consultation on Boorley Nursery; Planning App Consultation Request Internal F/22/94241

I have reviewed the plan no.1980-00-03 Rev D.

The level of detail on this plan is completely unacceptable. In terms of detail it is a big retrograde step from the 2019 proposals. Please refer the applicant to the adopted SPD: LANDSCAPE CHECKLIST FOR NEW DEVELOPMENT for advice on what details are required.

Best regards

Mark
