Dear Ms Webb,

242 LEIGH ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 3AW

Erection of 1no. four-bedroom detached house with associated car parking, bin and bike storage in rear garden of existing dwelling

In regard to application F/22/94044, it is noted that subsequent to the previous HCC Highways comments issued on 18 November 2022, updated site layout drawings have been received.

These have been reviewed, and the comments previously issued remain.

The plans outline the need for a widened drop kerb to be implemented in order to facilitate movement in and out of the widened driveway. However, no details of the existing bus stop kerbing are shown on plans (including raised bus kerbs), or indeed where the existing drop kerb is to be extended from and to.

These need to be added to plans to fully assess whether the widened drop kerb is achievable, and that it onwards matches up with the line of the proposed driveway.

Yours sincerely,

Matt Grantham
