

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/23/94494					
Surveyor	SK					
Address	Land to the side of 1-9 Cleverley Rise, Bursledon, Southampton, SO31 8LL					
Proposed work	1 no. English Oak (T5) - Crown raise on garden side to a height of 3m.					
Assessment Date	10/02/23					
Officer comments	T5 is growing in a line of retained trees forming a belt alongside an access to several houses. It is limited in public access as is fenced off but is visible from houses on both sides and when travelling south on Cleverley Rise. The works will not affect amenity and will increase clearance to a shed roof so may abate actionable nuisance. Works will not adversely affect amenity.
