Subject: Application No: X/23/94505 - Address: Land to the North side of Grange Road, Netley Abbey, Southampton

Description: Variation to condition 2 to amend approved drawings (including those for floor plans, elevations and location of pumping station) of Reserved Matters RM/19/86186 pursuant to Outline planning permission O/16/78014 for 89 dwellings

"Would you please let me have your observations on the above application regarding the installation of an electric substation, location visible on the Drainage Layout KNC2114 502-02 Rev B"

Good morning, Rachael

Thank you for consulting Pollution Control for observations.

Subject to there being no adverse electromagnetic radiation from cables and the substation that would be a risk to human health, and no adverse noise impact (no audible hum) that would be a risk to amenity to be enjoyed by dwelling occupiers, we would not object to this proposed location.

Please ask the applicant about demonstrating the above in the present time. Conditions would not be appropriate in this case.

We trust this is clear and helpful.

Kind regards
Jonathan Pyke

Jon Pyke
