

A cross-sectional diagram of a water course. The diagram shows a rectangular channel with a width of 4m at the base. The total width at the top is 5m. The depth of the channel is 1.5m. The channel is flanked by 0.5m wide areas on both sides. A 'WILDLIFE WALKWAY' is indicated on the left side. The 'PROPOSED WATER COURSE LEVEL' is indicated at the top of the channel. The diagram is labeled 'SECTION' at the top.
