Details of the pre-application advice received

"It is acknowledged that the existing approval (H/21/90394) is as yet unimplemented, the permission has not expired nor has the context of the site materially changed. For these reasons, the similar carport as proposed is considered to preserve and respect the conservation area and special policy area as well as not significantly affect the neighbouring residential amenity."

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
