

To whom It May Concern

1st November 2022

My name is Nick Clay, I am a Regional Manager for the South for the Burton Roofing Group.

I am writing to confirm that we have been delivering roofing materials to SDS Roofing's yard at Brook Lane Botley for just under 5 years with no problems or concerns.

Prior to March 2018 I was a Branch Manager for SIG Roofing Supplies in Bishops Waltham and had delivered roofing materials **to the yard at Brook Lane** since I started the post in 2010 with no problems or concerns.

Yours Faithfully,

Nick Clay
