Description of Proposed Works

Please describe the proposed works

Both Sheds are for storage in the back garden as the shed that was there was rotting away and collapsing to one side. Unfortunately my garage leaks and floods so this is unusable. I have tried my hardest to repair this and find out who owns the land in front of the garage to stop the flooding, I have had no luck. I am asking for planning permission for 2 sheds in the garden to be able to store my belongings safely and without having damp damage to them.
