

I, Bradley Foley of Broadoak Stables, Mortimers Lane, Fair Oak, Eastleigh. SO50 7EA will say as follows: -

1. I lived in a caravan with my mother and father at the above stables.
2. After about 3 years my parents applied to replace the caravan with a dwelling house.
3. It seemed to take a long time to eventually succeed in gaining the permission required for the erection of a house.
4. Eventually permission was granted, and my father and his business partner started to construct the dwelling.
5. I watched the building grow and heard my mother discussing with my father the possibility of using what was going to be the roof space as further rooms to that approved by the planning permission.
6. I was pleased to hear my father confirm it was possible and that he was going to construct a further 2 bedrooms on the 1st floor.
7. I was delighted with this news as it meant I could sleep upstairs instead of the 2nd bedroom that was going to be on the ground floor.
8. When the building was finished, we all moved out of the caravan into the new house. I believe this to have been on 30th September 2016.
9. As agreed, my parents occupied the master bedroom on the ground floor, and I took one of the extra bedrooms on the 1st floor.
10. This has remained the situation ever since 30th September, 2016.

This statement is true to the best of my knowledge and belief and I make it knowing that, if tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true, and I make this solemn declaration conscientiously believing the same to be true by virtue of the statutory declaration act. 1985
