**The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990**

Application No. T/23/94635

In pursuance of their powers under the above Act and in accordance with your application received on Thursday 2 February 2023 the Council, as Local Planning Authority hereby **Part Consent Part Refuse Trees** the following :

Description:

- 1 no. Oak (T6)- Remove highlighted limb as it is overhanging public area.
- 1 Group of Oaks (G3)- Reduce 0.5m past curb and crown Raise to 6m to reduce the weight load and create appropriate clearance to buildings/cars to prevent damage.
- 1 no. Oak (T3) - Lift by 5m to reduce the weight load and create appropriate clearance to buildings/cars to prevent damage.
- Mixed Species Group (G1)- Remove Alder and Sycamore Saplings. Reduce Oaks by 2m from streetlight.
- Mixed Species Group G2) - Crown raise by 6m to reduce the weight load and create appropriate clearance to buildings/cars to prevent damage.

Site: 1 BOTLEY ROAD, HEDGE END, SOUTHAMPTON, SO30 2RA

1 REFUSE:
1 Group of Oaks (G3)- Reduce 0.5m past curb and crown lift to 6m
Mixed Species Group G2) - Crown lift by 6m

Reason: The proposed crown lift to 6m is considered excessive and will be of detriment to the health and appearance of the tree. The works would thus result in an adverse impact upon the visual amenity, ecology and wildlife and screening of the surrounding area.

2 CONSENT TO:

1 no. Oak (T6) - Remove highlighted limb taking back to union with main scaffold to a good target pruning point.

1 Group of Oaks (G3) - Reduce 0.5m past curb and crown lift to 4.5m with no cuts to be larger than 75mm in diameter.

1 no. Oak (T3) - Lift by up to 4.5m with no cuts to be larger than 75mm in diameter.

Mixed Species Group (G1) - Remove Alder and Sycamore Saplings. Reduce Oaks by 2m from streetlight. Include removal of one alder sustaining damage on railings on west side.

Mixed Species Group G2) - Crown lift by up to 4.5m with no cuts to be larger than 75mm in diameter.

3 The tree works hereby consented shall be completed within 2 years of the date of this permission and shall be carried out in accordance with the approved details and to British Standard for Tree Work BS3998:2010

Note to Applicant: It is considered that, subject to compliance with the conditions attached to this permission, the proposed tree works are acceptable because they will not materially harm the character of the area, the amenity of neighbours or highway safety, and are in accordance with the policies and proposals of the development plan and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.

Note to applicant: All works hereby consented should be carried out by a suitably qualified and insured tree surgeon. A copy of the decision notice should be given to the Tree Surgeon.

Note to applicant: Deadwood may be removed at any time without an application.

Note to applicant: Please be advised that the Wildlife and Countryside Act 1981 as amended, the Countryside and Rights of Way Act 2000 and the Conservation (Natural Habitats) Regulations 1994 protect ALL wild birds, their nests (whether in use or being built) and eggs and other wild animals including bats and their roosts in or adjacent to trees.

Note to applicant: The granting of consent does not give the applicant or their agent a legal right to enter land without the owner's permission.

Note to applicant: Advice regarding overhead utilities should be sought with the relevant service provider prior to commencing works.

Note to applicant: Please follow current recommended Bio-security measures -
Further advice can be found at <https://www.trees.org.uk/News-Blog/News/Biosecurity-in-Arbiculture-and-Urban-Forestry-Po>

Note to applicant: Deadwood within trees provides a rich and important habitat; it can be a natural part of the trees life cycle. Consider retention of deadwood where it is safe to do so.

Yours faithfully
