

SOUTHERN WATER

The map displays a residential area with various streets and water infrastructure. Key streets include Orchard Close, Mad Oxford Lane, The Laurels, and Oatlands Close. The map shows numerous green 'X' marks representing hydrants, red 'X' marks representing valves, and blue circles representing water mains. Red lines indicate 150 VC (Valve Control) and 150 CP (Control Point) lines. A red line also indicates a 3-inch CI (Cast Iron) line. A green 'C' in a square is located near Mad Oxford Lane. The map is titled 'SOUTHERN WATER' at the top.
