Your operator licence number:
OH0216927

Date: 16/03/2005

PLEASE READ CAREFULLY – FAILURE TO REPLY TO THIS LETTER AND TO RETURN YOUR LICENCE FEE BY 30/04/2005 WILL RESULT IN THE TERMINATION OF YOUR OPERATORS LICENCE.

Goods Vehicle OPERATOR LICENCING

1. I am writing to you about your Goods Vehicle Operators licence and about action you must now take to keep your licence in force. Enclosed are:
 - i) a checklist containing the details of your current licence and a request for current financial information; and
 - ii) details of the fee you need to pay to keep your licence in force.

FEE AND LICENCE CHECKLIST

2. To keep your licence in force you must pay the next instalment of your licence fee no later than 30/04/2005. **Failure to do so will result in your licence being terminated, which will mean that you no longer have authority to operate any Goods Vehicle for which an operator's licence is required in this Traffic Area.**
3. At the same time as informing you about the need to pay your licence fee we want to take the opportunity of reminding you of the details we have about your licence so that you can check that they are up to date. Any changes could affect the amount of licence fee you will have to pay.
4. Please check all the information on the checklist and indicate any changes that have taken place, or where the information is incorrect. You must also complete the section requiring up to date financial evidence. Once you have done this please sign and return it. Together with the required fee, to the above address to arrive **no later than 30/04/2005**.

EARLY PAYMENT MEANS EARLY RECEIPT OF UP TO DATE DISCS

5. It is an offence to operate your vehicles without an operator's licence or for vehicles specified on your licence to operate without displaying a valid identity disc. We therefore advise you to pay your fees by 09/04/2005, which is 3 weeks before the deadline. This will give us time to issue your licence documentation before the existing documents "expire". This will be particularly important if your vehicles are away from base for long periods of time.

REVIEW OF OPERATING CENTRES (Applies only to Goods Vehicle Licences)

6. At this time the Traffic Commissioner can review the suitability of any of your operating centres, taking into account any complaints received. If the Traffic Commissioner decides to carry out such a review of your operating centre(s), he must serve notice on you to that effect by 30/06/2005. If you have not heard from this office by that date you can assume that the Traffic Commissioner has decided not to carry out a review on this occasion.

CONTINUOUS LICENCE FEE REQUEST

Licence Number: OH0216927

(please quote in all correspondence)

You have the option to pay your vehicle fees **annually** or for **five years in advance**. This option can **only** be exercised once every five years and any further Vehicle Fees that become payable during that period will be calculated either yearly or 5 yearly, based on whichever option you choose.

If you wish to pay fees **annually** the amount due is:

Number of vehicles in possession	Fee per vehicle	Total
1	40.00	40.00
	Continuation fee (only paid once every five years)	297.00
	Total fee due	337.00

Tick this box if you wish to pay fees annually

☐

For each subsequent 12 months you will **ONLY** need to pay for the vehicles in possession at that time, and not the continuation fee. It is **your responsibility to pay the fee on time**. Failure to do so will result in the termination of your licence. A fee request (this document) will be sent approximately 6 weeks before the fee is due. A reminder will be sent approximately 2 weeks before the fee is due. **You will receive no other notification.**

If you wish to pay fees **every five years** the amount due is:

Number of vehicles in possession	Fee per vehicle	Total
1	164.00	164.00
	Continuation fee (only paid once every five years)	297.00
	Total fee due	461.00

Tick this box if you wish to pay fees for the next five years

☒

IMPORTANT

If you hold a Goods Vehicle Standard International Licence please say how many copies of **Community Authorisations** you require. Please Note: copies will only be issued if requested.

NUMBER OF COMMUNITY AUTHORISATIONS REQUIRED 0

If any of the details on this fee request are not correct do not delay in sending in the required fee – if it is not received by 30/04/2005 your licence will terminate on that date. You can then contact this office to clarify matters. You should also return your checklist, with any changes clearly marked.

Cheques or postal orders should be made payable to "Vehicle and Operator Services Agency". Do not send cash.

Remember, your full licence fee must be received by the Traffic Area Office no later than 30/04/2005 .
