Planning (Listed Building and Conservation Areas) Act 1990

Application No. L/23/94647

In pursuance of their powers under the above Act and in accordance with your application received on Wednesday 25 January 2023 the Council, as Local Planning Authority hereby **Grant Listed Building Consent** the following :

Description:	Removal of the dilapidated garden machinery store attached to the east side of the pool house and replacing with new timber framed store with a flat roof consisting of a machinery store, a garden store, a plant room for the swimming pool, WC and shower room
Site:	The Coach House Steeple Court Church lane, Botley, SO30 2EQ

Subject to due compliance with the following conditions:

- 1 The development hereby permitted shall be implemented in accordance with the following plans numbered: BLOC 01, 2 Rev A, 1 Rev A and 3 Rev A

Reason: For the avoidance of doubt and in the interests of proper planning.

- 2 The works hereby consented shall start no later than three years from the date of this permission.

Reason: To comply with Section 18 of the Planning [Listed Buildings and Conservation Areas] Act 1990.

- 3 The materials to be used must match as closely as possible, in type, colour and texture those listed in Section 10 of the application form.

Reason: In the interest of visual amenity and to preserve the setting of the Grade II Listed Building.

- 4 Removal of the structure must be carried out outside of the bird nesting season (March to August inclusive) if possible, but if it must be removed during this period then a check should be made immediately prior to works beginning to ensure there are no active nests present within the store. If an active nest is found, work should be postponed until the young have fledged and left the nest.

Reason: to protect nesting birds.

Note to Applicant: In the unlikely event of any bats being found during demolition or construction, all work must stop immediately, and Natural England must be called. Additional information is available on the Bat Conservation Trust website at <https://www.bats.org.uk/advice/im-working-on-a-building-with-bats/ive-found-a-bat-during-works>.

Note to Applicant: In accordance with paragraph 38 of the National Planning Policy Framework (July 2021), Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.

Yours faithfully
