The principle of the development was considered acceptable. Some queries raised about the details of the design, which has now been amended. No objection from the Council's built heritage consultant. Ecology Officer agreed the submitted information, but sought additional information on biodiversity net gain and on landscaping. An arboricultural impact assessment, method statement and protection plan were requested.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
