Dear Ms. Morris,

Planning Application Consultation Request DC/23/94739

Thank you for your consultation. With regards to condition 3, I would defer in large part to your conservation officer. I do note, however, that the method statement for A3, does not include any specific plans for reinstatement (reinstatement forming part of condition 3). I feel that establishing the intended future of that building should be clearer than presently expressed.

Yours sincerely,
