Note to Applicant: Southern Water requires a formal application for any new connection to the public sewer to be made by the applicant or developer. To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read the New Connections Charging Arrangements documents which are available on the website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

Note to Applicant: It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site. For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
