

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form						
Application Number	T/23/94799					
Surveyor	SK					
Address	9 FRENHAM CLOSE, HEDGE END, SOUTHAMPTON, SO30 0JT					
Proposed work	3 no. Oak - Reduce by 2m on customer's side and top of crown to provide adequate clearance.					
Assessment Date	22/03/23					
Officer comments	Trees are in a small cohesive group that are visible from the neighbouring properties and the close beyond. They have not been reduced in height in the past, and to do so now would remove a lot of the amenity and bring the trees (one of which is in the public highway) into a cycle of ongoing reduction works which may not be maintained by subsequent occupants.
