Dear Mr Price

Town and Country Planning Act 1990
Planning (Listed Buildings and Conservation Areas) Act 1990

In pursuance of their powers under the above Act and in accordance with your application received on 10 February 2023 and made valid on 13 February 2023, the Council, as Local Planning Authority hereby confirm the status of the following conditions in respect of:

Application No:	DC/23/94700
Description:	Discharge of condition 16 (surface water drainage scheme) of planning permission F/19/86707 for construction of a 164 metre runway extension at the northern end of the existing runway, associated blast screen to the north of the proposed runway extension, removal of existing bund and the reconfiguration and extension of existing long stay car parking to the east and west of Mitchell Way to provide additional long stay spaces.
Site:	SOUTHAMPTON INTERNATIONAL AIRPORT, MITCHELL WAY, EASTLEIGH, SOUTHAMPTON, SO18 2HG

Condition	Details	Compliance and Date
Condition 16 (Surface Water Drainage Scheme)	- Runway Extension Planning Conditions (Condition 16 g – i response) (ED17020, Issue 1, dated 22 November 2022) - Response to Runway Extension Planning Discharge Conditions relating to Drainage (September 2022) (Appendix 1) Environment Agency - Notice of variation and consolidation with introductory note (Variation application number EPR/CB3999EM/V002) (Permit number EPRC/CB3999EM) (Appendix A) Southampton International Airport LTD Flood Risk Assessment (Project number: 70048854-FRA-001) (Dated February 2023) (Appendix B) Factual Ground Investigation Report (Project ID: J14044), (Dated 25 July 2019) (Report Issue 6) (Appendix C) Storm Water Layout Plan (400602-MMD-00-XX-DR-D-0001) (Appendix D) Microdrainage Results Southampton Airport Runway Extension - Phase 1 Drainage Field Exceedance Flow Plan (400602-MMD-00-XX-SK-D-0004 Rev P01)	Partially Discharged.

Condition 16 of planning permission F/19/86707 requires a detailed surface water drainage scheme for the site. The information submitted has not covered the car parking area, as this is not yet proposed to be implemented, however the information provided with regard to the rest of the site is satisfactory. The Condition has therefore been partially discharged to allow the submission of a surface water drainage scheme for the car park area.

Yours faithfully

Andy Grandfield
 Executive Head for Planning and Economy
