Hi Summer,

My apologies for the delay in getting back to you.

Please find below, the planning committee's thoughts on these applications:

Nunton Cottage – Councillors Object due to the size, scale, appearance and visual intrusiveness of the proposed dwelling. Councillors felt the property would have an adverse impact on neighbouring properties.

68 Chalk Hill – Councillors have no objection to this application

Kind Regards

Becky

Dear Becky

I note you requested additional time to provide comments on the following planning applications:

- F/22/93840 – Nunton Cottage
- H/22/93889 – 68 Chalk Hill

I note you had your meeting earlier this week and was wondering whether you had had the opportunity to finalise your comments?

Many thanks

Summer Sharpe
