Town and Country Planning Act 1990
The Town and Country Planning (Development Management Procedure) (England)
Order 2015

Application No. H/23/94685

In pursuance of their powers under the above Act and in accordance with your application received on Wednesday 15 February 2023 the Council, as Local Planning Authority hereby **Permit** the following :

Description: Single storey front side and rear extension
Site: 1 LINNET SQUARE, EASTLEIGH, SO50 9JL

Subject to due compliance with the following conditions:

- 1 The development hereby permitted shall be implemented in accordance with the following plans numbered: 01_ Rev C

Reason: For the avoidance of doubt and in the interests of proper planning.

- 2 The development hereby permitted shall start no later than three years from the date of this decision.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 3 The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in type, colour and texture those used on the existing building.

Reason: To ensure a satisfactory visual relationship between the new development and the existing.

Note to Applicant: It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

Note to Applicant: Southern Water requires a formal application for any new connection to the public sewer to be made by the applicant or developer. To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read the New Connections Charging Arrangements documents which are available on the website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

Note to Applicant: It is requested that the building works are carried out considerately to minimise disruption to the occupiers of the neighbouring properties. The council operates a code of best practice, which is available on the council's website www.eastleigh.gov.uk by following the links to Planning and Building, Building Control, then select 'Considerate Builders Advice Note'.

Note to Applicant: In accordance with paragraph 38 of the National Planning Policy Framework (July 2021), Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.

Yours faithfully
