

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	NC/23/94587					
Surveyor	Charlotte Holloway					
Address	GLEBE MEADOW YOUTH AREA, GLEBE MEADOW LOCAL GREEN SPACE (1), CHURCH ROAD, BISHOPSTOKE Shawyers					
Proposed work	1 no. Oak at rear of skatepark at Glebe Meadow (T4)- Reduce crown by 1 to 2m to suitable growth points.					
Assessment Date	19/04/23					
Officer comments	The tree is situated as part of a group along the northern edge of the recreation ground. The tree appears in good condition. The canopy does have a southern bias and a failed limb within the southwest of the canopy is noted. Canopy form has resulted from the presence of a neighbouring tree which has since failed. Other trees within this northern group are in decline, of which past management could be a contributing factor, therefore this tree is an important feature within the group. The notification is to reduce the canopy by up to 2m. Given the exposure from the failure of the adjacent tree, the request is fair management of the tree within its location. Work is unlikely to affect the long-term health or overall amenity value of the tree.
