to help your understanding of this, the land originally had a boarding cattery situated on it and the land was owned by my SiPP pension and rented to the cattery.

The cattery has not traded for a number of years and i gained planning permission to build a house on the site.

Therefore to formulise things the land was sold by my SiPP to me and completed on the 28 June 2022 (this was a very drawn out transaction because the SiPP adminstrators were next to useless).

I have chased the solicitor who completed the transaction who's details are below,

I hope this clarifies the position but the land and house are now held in my sole name.
