YOUR COMMENTS ON THE CASE

I have lived here for 21 years and I do not want a 5g mast right on my street. As well as being unsightly there is also dangerous health implications that could affect residents that live right next-door to the mast as well as the fact that children also play on the grass on this area. Just because this is a poor area it doesn't give the right to ignore people's concerns. It brings no benefits to our estate and we don't want it.
