Dear Ms Webb,

DEW LANE street works, DEW LANE, EASTLEIGH, SO50 9DU

Proposed 5G telecoms installation: H3G 16m street pole and additional equipment cabinets.

In regard to application PN/23/95058, having reviewed the information contained within the application pack, there is no objection to the proposals from a highways perspective.

The street pole and additional equipment sit outside of the required visibility splay, and there is an adjacent foot/cycleway in place so it would not be anticipated that the land would be required for any highway improvement works.

Yours sincerely,

Matt Grantham
