Dear Ms Morris,

**LAKE FARM, ALLINGTON LANE, FAIR OAK**

**Single story extension of existing industrial unit to create 1.no additional unit**

In regard to application F/23/94897, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highways perspective.

Access in and out of the site from the highway (Allington Lane) is unchanged by the proposals, and this acceptable.

Onwards, the extension will increase the available floor area by a modest 248sqm, and it would not be anticipated that this would generate a level of vehicle movements that would significantly affect the local highway network.

Yours sincerely,

Matt Grantham
