

Eastleigh Borough Council Tree Preservation Order and

Conservation Area Assessment Form

Application Number	T/23/95014					
Surveyor	SK					
Address	HILLCREST, BURNETTS LANE, WEST END, SOUTHAMPTON, SO30 2HH					
Proposed work	T1 & T2 - Willow - Re-pollard trees back to previous pollard points to prevent future storm damage and to ensure pollarding cycle is maintained.					
Assessment Date	28/04/23					
Officer comments	Photographic evidence supplied plus Streetview image provides sufficient information to assess trees: they have been previously pollarded, are willow so the regular re-reduction is highly recommended, Storm damage has prompted this cycle of pruning and is reasonable, and prudent.
