Details of the pre-application advice received

Dear Paul & Liz Fuller,

Thank you for your recent planning enquiry.

I have checked the planning history relating to Wayside at Hill Place and can advise that the original planning consent for the residential development removed your permitted development rights to erect any fencing or walls without the prior written permission of the local planning authority. This means that you will need to submit a planning application if you wish to carry out these works.

A householder planning application can be applied for online via the Planning Portal at www.planningportal.co.uk

I have attached a copy of the decision notice for the residential development for your information, Condition 12 of application Z/25207/005/00 removes permitted development rights in relation to fencing.

With regards

Sarah Douglas

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
