**The Town and Country Planning (Tree Preservation) (England) Regulations 2012  
The Town and Country Planning Act 1990**

Application No. T/23/95100

In pursuance of their powers under the above Act and in accordance with your application received on Wednesday 26 April 2023 the Council, as Local Planning Authority hereby **Refuse Tree Consent For** the following :

|                     |                                                                                                                                                          |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description:</b> | 1 no. Oak (T1)- Remove 2 lower limbs growing over number 16 on North west side. This will re balance the tree as the other side has the tree next to it. |
| <b>Site:</b>        | 16 GUILDFORD DRIVE, CHANDLER'S FORD, EASTLEIGH,<br>SO53 3PT                                                                                              |

For the following reasons:

- 1 REFUSE:  
1 no. Oak (T1)- Remove 2 lower limbs growing over number 16 on northwest side
- 2 Reason: The proposal is considered unjustified and will be of detriment to the health and appearance of the tree. The works would thus result in an adverse impact upon the visual amenity, ecology and wildlife and screening of the surrounding area.

Yours faithfully
