Hi Rachael,

PN/23/95232 - Broadlands Avenue, Boyatt Wood

The site is free from significant and/or protected trees. However, there is some new tree planting on Highways land in the immediate vicinity. While the pole and infrastructure are beyond the RPAs of these trees, and should not impact the trees from a construction access/activities perspective, it would be a shame if these trees are impacted in the longer term through the requirement to maintain future clearances.

Kind regards,

Chris.
