Dear Sir/Madam,

I wish to put my objection
to the plans being put forward for
the plot of land behind Hillview Manor
Park Mobile Home site.

Plans have been put forward
to erect a holiday rental site.

Some of us have lived here many
years and enjoyed the peace and
quite of this site and we do
not want to be subjected to
a load of strangers camping next
door, with extra traffic, children
and dogs running around.

We are nearly all pensioners and
do not need this at our time of
life.

Yours Sincerely

CRJ
