

For Technical Approval
These drawings are produced for the purposes of obtaining the approval of an adopting or maintaining authority, and reliance on this drawing, for whatever purpose, is at the developer's/contractor's risk until formal technical approval has been received.

NOTES

1. Drawing based on Topographical Survey by Anthony Browne & Associates Ltd, drawing number A258/7834/3 of 1978, as amended.
2. On-site road layout based on RAN Architects' drawing Drawing Number P1388/02 of 19th dated 19th May 2019.
3. The works shown on this drawing could affect the existing underground apparatus and the Contractor is required to verify the location and depth of all existing underground apparatus and to take all necessary works and to take any precautions necessary when working in the vicinity of the same.
4. All adaptable highway works to be in accordance with the Hampshire County Council's 'Component Specification for Manual Road Works' (2014) and 'Specification for Highway Works (SIW) November 2009' as amended published by The Stationery Office.
5. The Contractor shall seek clarification from the Engineer regarding any contradiction between the Design and the Specific Instructions.
6. All drainage works shall be constructed in accordance with the Design and Construction Guidelines published by the Hampshire County Council between the proposals and the DCO then the DCO shall override.
7. The Contractor shall read in conjunction with Drawing No. M43/4/4.
- SUBJECT TO TECHNICAL APPROVAL**
