Dear Ms Altman,

1 BOTLEY ROAD, HEDGE END, SOUTHAMPTON, SO30 2RA

Installation of 4 x illuminated fascia signs, 1 x illuminated facade screen, 1 x illuminated totem sign, 1 x non-illuminated directional sign and 2 x illuminated archway signs, after removal of the existing brand signage.

In regard to application A/23/95212, having reviewed the information contained within the application pack, there is no objection to the proposals from a highways perspective.

All proposed signs have been checked, and none are positioned in locations that would obstruct either movement or visibility. Additionally, proposed candela falls below the maximum 400 candela permitted in an area such as where the site is located. It would however be requested that the following condition is applied to ensure this remains the case.

CONDITION

AMOUNT OF ILLUMINATION

The illumination of the consented sign(s) shall be no greater than 400 candela per square metres and no light source shall be visible from the highway.

Reason: In the interests of highway safety/amenity.

Yours sincerely,

Matt Grantham
