To whom it may concern,

application No: F/23/95180.

my objections to his application are as follows.

- ① MR Bony is planning 14 Holiday lets;
- ② Portaloos outside my back gate.
and I can only envisage health concerns
both mentally & physically.
Should the portaloos not be emptied,
With the misuse of the portaloos, possible
roughness, and people entering my property
with 14 Holiday Lets equivalent to 28 people
plus children friends this number could
rise dramatically.

In addition to these concerns, we have
a dog. Our worry is people would undo
our gate and leave it open. Hence the dog

P.T.O

would run of and probably into the busy main
RD. Our Dog was very expensive a very
deal to us,

With 14 Holiday Pets close to our home
should we in the future decide to sell,
my home would be greatly depreciated in value.

Therefore we adamantly disapprove of this
application

Yours Faithfully
Mr & Mrs Melhuish
