Dear Sir

**The Town and Country Planning (General Permitted Development) (England)
Order 2015, Schedule 2, Part 1**

Application No: PN/23/94684
Description: Prior Notification: erection of single storey rear extension. Depth maximum 4 metres. Maximum height 3.4 metres. Eaves height 2.5 metres.
Site: 55 CHADWICK ROAD, EASTLEIGH, SO50 9GJ

I refer to your application received on 5th June 2023 showing the following changes to the planning permission:

Amendment to description to alter the depth to a maximum of 4 metres (not to be exceeded) in order for the extension to be reduced in depth to allow an appropriate easement to a Southern Water sewer.

I have examined your application and consider that the revisions can be treated as a non-material amendment to the above planning permission and as such they are hereby permitted.

The conditions specified on the original planning permission will continue to apply.

Yours faithfully
