Dear Sir/Madam,

Re above reference to
erect 14 x Conpliant Caravan hedges.
for holiday lets at the field behind
Hillview Manor Park.

I Strongly object to this as
I live on to this land, I'm a
pensioner as are most of us and do not
wish a load of strangers coming
and going with children, animals and
cars.

Disturbing the land, will also
add movement to my garden which is
already showing signs of movement and
nothing has been done to reinforce it.

Yours Sincerely
