Dear Ms Morris,

**THE WIDE LANE PAVILION, UNIVERSITY OF SOUTHAMPTON SPORTS GROUND,
WIDE LANE, EASTLEIGH, SO50 5PE**

**Three year temporary siting of a container hosting a battery energy storage
system with associated solar panels and micro wind turbine on roof.**

In regard to application F/23/95405, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highways perspective.

The proposed location of the container and associated equipment is in the far end of what is believed to be an occasionally used overspill car park. The container itself will only reduce this provision by a couple of spaces, and doesn't affect surrounding movement or visibility.

Yours sincerely,

Matt Grantham
