Liz,

DC/22/93268 - Phase 3D and 3B

Condition 6 of RM/19/86658 states:

No excavation, demolition or development related works shall commence until evidence that the tree protection measures have been installed, as per the approved tree protection plans reference MILL22453-03C sheets 1-5 has been submitted to and approved in writing by the Local Planning Authority.

We are satisfied with the photographic evidence of the tree protection installation within phase 3D and 3B, provided by the report reference Technical Note (rev B), and can recommend discharge of Condition 6.

Kind regards,

Chris.
