

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	NC/23/95322					
Surveyor	CSS					
Address	FRIARMAYNE, CHURCH ROAD, BISHOPSTOKE, EASTLEIGH, SO50 6BH					
Proposed work	Notification of intent: 1 no. Laurel (growing under the mature oak across the boundary between Friarmayne and Glebe Meadow) - Remove the large limbs overhanging the garden to prevent injuries and antisocial behavior as well as to allow for the boundary fence to be repaired by Bishopstoke Parish Council.					
Assessment Date	26/07/2023					
Officer comments	The laurel forms an understorey within a wooded boundary area. Whilst this wooded area provided public amenity, the laurel in itself does not contribute significantly. Further the work is justified from an arboricultural perspective. Therefore, we raise no objection to the proposal.
