Dear Ms Webb,

12 GOSLINGS TURNING, BURSLEDON, SOUTHAMPTON, SO31 8LP

To build a demountable cat hotel in rear garden.

In regard to application F/23/95386, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highways perspective.

Due to the nature of the proposals it is understood that arrivals / departures of cats will be spread throughout the week, and that drop-off/pick-ups will be strictly regulated by timing slots to ensure that movements are kept low at any one time.

Additionally, it is noted that the dwelling has 4 vehicle parking spaces (2 x garage / 2 x driveway) which is 1 space above that required under the EBC Parking Standards. This additional space can be utilised for customer parking to ensure the adjacent carriageway is kept clear of obstruction.

Yours sincerely,

Matt Grantham
