Dear Ms Sharpe,

32 VALLEY ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 1GP

Discharge of Condition 3 - CEMP & 10 - Culverted Main River. Original application number F/19/85935

In regard to application DC/23/95546, and the highways related condition 3 - CEMP, there is no objection to the discharge of condition from a highways perspective.

A commitment for contractor vehicles to park non-obstructively and not on grass verges has been made, and onwards wheel washers will be used to keep the highway clear of site related mud and/or debris. Should the wheel washers fail, a mechanical road sweeper will be used to clean the highway accordingly.

Yours sincerely,

Matt Grantham
