F.A.O. Zelah Vincent

12 April 2017.

Dear Zelah Vincent.

Your Ref: ENV/3166264.

Thank you for your letter of 27th March, which was awaiting **my** return from holiday yesterday.

I have now received the information regarding my appeal from Eastleigh **Borough** Council, which appears to show information which is less than accurate. This I have **outlined** in my email of yesterday, a copy of which I am enclosing.

I am more than happy to replace the Lime tree in question with another, or others, as determined by EBC. My hope is that reason will prevail.

In speaking with Kevin Gordon this morning I understand that there will be **prior** notice of a visit from your office. This will enable me to open the security gates required for access to the tree in question.

I look forward to hearing further from you in due course.

Yours sincerely

John B Dalby
