Dear Sir/Madam,

Proposal: Discharge of conditions application following reserved matters consent RM/19/86658 (pursuant to outline permission O/15/75953, as amended by X/19/84943) for condition 4 (Protection of Public Water Main) for Boorley Gardens Phase 3.

Site: DC/23/95422: - Land Northwest of Winchester Road, Boorley Green. Hampshire, SO32 2BX.

Thank you for your letter dated 18/07/2023.

In order to discharge condition 4 relating to protection of public water main, Southern Water would request that the developer submit the proposed methodology or deed of easement to water mains that was agreed to by Southern Water.

In addition, we would require a site layout showing easements on either side of the public water main where no construction work or proposed tree planting is being made.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
