Comment: If the lime tree to be removed is on the corner of 1 Latelie close/ netley lodge close I do not have a problem, however if the lime tree is the one opposite from our house along netley lodge close I would not want to lose this as this would look odd and our house benefits from the trees blocking the wind

**THE ABOVE STATEMENT DOES NOT RELATE TO MY TREE BUT IS
IN FRONT OF MY LIME TREE.**

**Mrs TURNELL'S SIGNATURE IN THE ENCLOSED PETITION
CONFIRMS HER APPROVAL FOR THE REMOVAL OF MY TREE.**

Comment: We have no objection to the felling of the Lime. As beautiful as the trees are in this area they have now grown much to large for the gardens of the bungalows built beneath them.
