Hi Gary

Comments from our recent Committee meeting are as follow;

Overdevelopment of site and within local area.
Potential additional traffic concerns.
Inadequate allocated parking available to accommodate residents, vistors and staff.

I have copied our Chair of the Committee, Cllr Gaz Richardon and the Town Clerk, Tracy Predeth should you require any further detail.

Kind Regards

Claire

You don't often get email from gary.osmond@eastleigh.gov.uk. [Learn why this is important](#)

Hi Claire,

I note the town council's objection to the above planning application but is there any chance that you could send it to me directly, rather than using the online comment function. My reason for asking is that the online function is really intended for members of the public, whereas the town council is more of a formal consultee. If you send comments to me directly, I can make sure that they are appropriately recorded and not lost in the numerous public comments to the application.

I hope this makes sense.

Regards,

Gary Osmond
