Dear Ms Stone,

**UNIT 1, HEDGE END RETAIL PARK, CHARLES WATTS WAY, HEDGE END,
SOUTHAMPTON, SO30 4RT**

3.no Internally Illuminated wall hanging signs to be mounted to the face of the building (Signs A).

In regard to application A/23/95594, having reviewed the information contained within the application pack, there would be no objection to the proposed signage from a highway perspective.

The signs are located in non-obstructive locations (physically and visually) and are of adequately low luminance levels.

It would however be requested that the following condition is applied, to ensure luminance levels remain low in the future.

CONDITION:

AMOUNT OF ILLUMINATION

The illumination of the consented sign(s) shall be no greater than 200 candela per square metres and no light source shall be visible from the highway.

Reason: In the interests of highway safety/amenity.

Yours sincerely,

Matt Grantham
