Dear Rachael,

Network Rail Consultation Response: X/23/95488 - UNITS 1-5 WOODSIDE INDUSTRIAL ESTATE, WOODSIDE ROAD, EASTLEIGH, SO50 4DP

Thank you for consulting Network Rail on the above planning application.

Network Rail is the statutory undertaker for maintaining and operating railway infrastructure of England, Scotland and Wales. As statutory undertaker, NR is under license from the Department for Transport (DfT) and Transport Scotland (TS) and regulated by the Office of Rail and Road (ORR) to maintain and enhance the operational railway and its assets, ensuring the provision of a safe operational railway.

Due to the close proximity of the proposed works to Network Rail's land and the operational railway, Network Rail requests that, where applicable, the applicant / developer follows the attached Asset Protection informatives which are issued to all proposals within close proximity to the railway.

Should you wish to discuss any of the informatives, please contact our Asset Protection team via AssetProtectionWessex@NetworkRail.co.uk.

Kind regards,
