Town and Country Planning Act 1990
The Town and Country Planning (Development Management Procedure) (England)
Order 2015

Application No. H/23/95338

In pursuance of their powers under the above Act and in accordance with your application received on Monday 3 July 2023 the Council, as Local Planning Authority hereby **Permit** the following :

Description: Replacement solid roof and glazing to existing rear conservatory.
Site: 6 DUDDON CLOSE, WEST END, SOUTHAMPTON, SO18 3QA

Subject to due compliance with the following conditions:

- 1 The development hereby permitted shall be implemented in accordance with the following plans numbered: BLOC 01, LOC 01 and 01/JONES-KJM/23

Reason: For the avoidance of doubt and in the interests of proper planning.
- 2 The development hereby permitted shall start no later than three years from the date of this decision.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.
- 3 The materials to be used must match as closely as possible, in type, colour and texture those listed in the Materials Section of the application form.

Reason: To ensure a satisfactory visual relationship of the new development to the existing.

- 4 In the unlikely event of any bats being found during demolition or construction, all work must stop immediately, and Natural England must be called. Additional information is available on the Bat Conservation Trust website at <https://www.bats.org.uk/advice/im-working-on-a-building-withbats/ive-found-a-bat-during-work>

Biodiversity enhancements will be required.

A bat brick and a swift brick may be appropriate for this building. The Bat Conservation Trust recommends installing a bat brick/box at least 4 m above the ground, away from artificial light sources, sheltered from strong winds and exposed to the sun for part of the day, facing south, south-east or south-west. (<https://www.bats.org.uk/our-work/putting-up-yourbox>)

Swift nest boxes are best positioned under the eaves or on walls facing north, northeast or northwest out of direct sunlight, five metres above the ground, with clear adjacent airspace so swifts can access them in a high-speed direct flight. (<https://www.swiftconservation.org/Nestboxes%26Attraction.htm>)

- 5 Note to Applicant: In accordance with paragraph 38 of the National Planning Policy Framework (July 2021), Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.

Yours faithfully

A handwritten signature in black ink that reads "Andy Grandfield". The signature is written in a cursive style, with the first letters of the first and last names being capitalized and prominent.

Andy Grandfield
Executive Head for Planning and Economy
