Dera Liz,

West End Parish Council Planning and Highways Committee met yesterday, 5th September, and one of the items discussed was the above planning application. However, I note from the portal that the consultation period has ended whilst the committee was on their summer break.

Their decision after discussion was to OBJECT to the proposal on many items as bullet pointed below. Councillors will also discuss the proposal at the Parish Council Full Committee meeting next Wednesday 13th September.

- Increased traffic in an already busy area
- Emergency vehicles access to homes during events
- The need for another hotel was queried
- Parking issues increased
- Eastleigh Borough Council deciding on the proposal on their own land
- Original plan was to improve venue using money from the housing development
- All affordable housing removed
- Changes to processional ramp access.
- Possibility of purchase of properties to become a rental for events
- Townhouses on higher land

I will be able to give full details following the Full Parish Council meeting next week.

Many thanks,

Susie
