I have reviewed the photos and think that an informative and biodiversity enhancements will be sufficient, a preliminary bat roost appraisal will not be required.

Please add the following informative to the decision letter.

In the unlikely event of any bats being found during demolition or construction, all work must stop immediately, and Natural England must be called. Additional information is available on the Bat Conservation Trust website at <https://www.bats.org.uk/advice/im-working-on-a-building-with-bats/ive-found-a-bat-during-works>.
