Dear Mrs Harrison,

Land to the North and East of Boorley Green, Winchester Road, Botley, SO32 2UA.

Advertisement to be erected on the hoardings surrounding the highway facing edge of the Boorley Gateway Site.

In regard to application A/23/95444, having reviewed the plans submitted as part of the application pack, whilst there would be no objection to the principle of advertising hoarding, there appears to be an issue with the southern end of the hoarding, and as such a holding objection is made until such time as revised plans are submitted.

At the southern end of the hoarding, the boards run adjacent to the highway, making a right turn into the access for the Botley Park Hotel and Spa, as well as the residential areas. This hoarding would impact of the available visibility splay when egressing this junction, and as such should be pulled back into site 2.4m from the carriageway edge for an appropriate distance so that visibility splays can be achieved.

If updated plans can be submitted, a re-assessment can be undertaken accordingly.

Yours sincerely,

Matt Grantham
